High Facial Recognition Time Attendance

ECOSF50

ECOSF50

Face

WiFi

Powered By
ECO Timeprint Software

The ECOSF50 provides excellence face recognition.It will function automatically when it detects a face in the detection distance so as to deliver better recognition quality in terms of speed and accuracy than the previous near-infrared facial recognition terminal. This device can be placed on any flat surface or Table,which make it sultable to be used in almost any business and centre.
